## KEY FEATURES

We provide a comprehensive range of services based on our clients' specific needs using this electric model that comes with quick charge capability, comfortable ride for longer distance and no range anxiety.

### PORTABLE DOUBLE BATTERY

The portable battery inside makes charging easy and convenient. Simply detach the battery and charge it from the comfort of your home or office.

### SPLIT FOLDING SEAT

Make room for more with the split folding seat that comes with NYX HX. Get style and convenience on the go.

### TELESCOPIC SUSPENSION

Say goodbye to rough and bumpy rides. The state-of-the-art telescopic suspension ensures every ride jerk-free and smooth.
